To Whom It May Concern:

Please accept this as a letter of reference and recommendation for Christopher James, who provided his services and talents to Black Wool Inc as part of an event we held on May 4, 2007.

The event was a Las Vegas themed night for our client Music British Columbia, a non-profit organization serving, representing and promoting the BC music industry. Christopher and his amazing magic and sleight of hand skills were brought in as part of the Vegas themed activities. Being a not-for-profit event, Christopher generously donated his time and skills to the event. The event was a huge success, and Christopher was a big part of it. Not only did he dazzle the crowd with his sleight of hand magic, he also voluntarily stepped in to serve as a dealer at one of our blackjack tables when one of the dealers failed to show up.

Christopher demonstrated to all of us that he is a consummate professional, a team player and an amazing talent with respect to his ability as a magician and performer. Aside from his unbelievable magic, he was great at engaging the crowd and commanding attention as a performer.

I would recommend Christopher as both a performer and as a solid individual and would hire Christopher back in a heartbeat! If you have any questions, please feel free to call me directly at 604-288-2763.

Sincerely,

Chris Lee
President
Black Wool Inc.
