

Christopher James

Thank you for your wonderful stage magic performance on Saturday, March 29th, 2008. As soon as the show started, it was immediately clear that it was incredibly magical and a lot of fun. We had over 300 people in the pub that night and many were commenting about how amazing the show was and how they still couldn't believe what they saw.

We still hear from our customers who were at the show that they loved it and want to know when the next one is. What's more is that we hear from people who weren't at the show that they regret missing it and also want to know when the next stage magic show is. I know I'm still stunned by seeing you read people's minds, make things float, and make the roses appear!

We look forward to having you perform again and seeing your magical, exciting show!
