

January 7, 2008

Christopher James Schuh

Thank you for your fantastic performance at our recent staff function and assisting in making it a success. Everyone enjoyed your show and was totally amazed by the magic you performed. Your ability to captivate your audience from the moment you were introduced was remarkable.

Your magic is extraordinary and I hope that many other people who have not seen your show yet will soon get the opportunity. I have already recommended your website to several people.

Thank you once again.

Regards,
